It is my own obligation to conduct appropriate and adequate research and assessment on the WMC Mainland Partner Bank and the products offered by it, and you give no advice or recommendation and make no representation or warranty regarding the WMC Mainland Partner Bank, whether in relation to its regulated status, capabilities, financial soundness, fitness or properness or any other matter, or the products offered by it;

 - iv. ensuring compliance with any applicable legal and regulatory requirements in respect of the due diligence, sale, solicitation, distribution or purchase of the products, including in relation to ensuring the suitability of any products (or any transaction in any products) for me (to the extent required under the Applicable Governing Requirements); and
 - v. the truth, accuracy and completeness of any information disclosed to me in relation to the products or the WMC Mainland Partner Bank;
- (d) neither you nor any of your representatives shall be responsible for or liable to me for any consequences arising from transactions in the products offered by the WMC Mainland Partner Bank, or from any interactions I may have with the WMC Mainland Partner Bank or for any failure or default on the part of WMC Mainland Partner Bank in rendering services to me or any losses incurred as a result of such services or transactions in the products offered by the WMC Mainland Partner Bank;
- (e) none of the documents or materials prepared by the WMC Mainland Partner Bank in relation to the products have been

reviewed by you, and you are not responsible for (nor do you make any representation or warranty in respect of) their accuracy and completeness or for their compliance with the Applicable Governing Requirements; and

- (f) I agree and accept that the activities in relation to the Hong Kong Remittance Account are governed by the Applicable Governing Requirements under Hong Kong laws whereas those in relation to the Mainland Investment Account are governed by Mainland Chinese laws. The Applicable Governing Requirements under the Mainland Chinese laws are different from those under Hong Kong laws and although the WMC Mainland Partner Bank is regulated by another regulatory body, the regulation of such regulatory body may be different from the regulation of the HKMA and the SFC, and the protection that I may receive under the regulation of that regulatory body might not be the same as the protection that I would receive if it were licensed by the HKMA and the SFC. I acknowledge that I am responsible for understanding the rules and procedures relevant to transactions in the eligible products offered by the WMC Mainland Partner Bank and for considering my own circumstances before making any investment decisions. I confirm that I shall observe and comply with all Applicable Governing Requirements at all times.

10. Conflicts of interest

10.1I acknowledge and hereby agree that you (and your personnel) may obtain from and keep or pay to the WMC Mainland Partner Bank any profits, commissions and fees in connection with my transactions under the WMC Scheme through you or the WMC Mainland Partner Bank (as the case may be). I further agree that under the Northbound Scheme, you may receive remuneration from the WMC Mainland Partner Bank in consideration of the opening of the Mainland Investment Account by me as well as for transactions in products offered by the WMC Mainland Partner Bank and executed by the WMC Mainland Partner Bank for me.

10.2I agree and accept that you may receive from and pay to third parties (including product issuers) fees, commissions or other benefits and may share charges in respect of the Services provided to me with such third parties.

11. Complaint handling

11.1 In the context of the Southbound Scheme, I agree and accept that I may contact you through the channels as set out on your website if I have any complaints or suggestions on the Hong Kong Investment Account, the WMC Products offered by you and any Services under the Southbound Scheme. You shall refer any complaints or suggestions on the cross-boundary fund remittances under the Southbound Scheme to the WMC Mainland Partner Bank.

11.2 In the context of the Northbound Scheme, I agree and accept that I may contact you through the channels as set out on your website if I have any complaints or suggestions on the Hong Kong Remittance Account or cross-boundary fund remittances and any Services under the Northbound Scheme. You shall refer any complaints or suggestions on the products and services under the Northbound Scheme offered by the WMC Mainland Partner Bank to the WMC Mainland Partner Bank.

11.3 I consent to your referral of my complaint and as necessary together with the relevant personal or transaction information to the WMC Mainland Partner Bank or any Governing Authorities as you deem fit.

12. Fees and Taxation

12.1 I may be charged commission, fees, mark-ups or markdowns, costs and expenses charged to or incurred by you for providing the Services to me. Details of the fees payable in connection with the Services are set out in the service fee booklet provided by you or any other agreements as may be entered into between you and me in respect of the Services under the Hong Kong WMC Account (including but not limited to fees associated with the transactions in the Hong Kong Investment Account) (where applicable) from time to time. I agree to pay promptly any such fees and that you may deduct such fees directly from my Hong Kong WMC Account.

12.2 I am responsible for paying all fees, charges, levies and taxes, and I undertake that I will comply with any filing or registration obligations, in each case as may be required under any Applicable Governing Requirements relating to any investments under, and any dividends or entitlements in respect of, the WMC Scheme. Any and all payments (whether of principal, interest, fee or otherwise) to be made by me under these WMC Terms or under any instrument delivered hereunder shall be made free and clear of and without deduction for any

present or future taxes, levies, imposts, deductions, charges, or withholdings, and all liabilities with respect thereto (collectively the “taxes”). If I am required by any law or regulation to make any deduction or withholding on account of any taxes from any such sums payable by me, I shall, together with such sums, immediately pay or account for such additional amount as will ensure that you receive or are credited (free and clear of the taxes) the full amount which you would have received or been credited if no such deduction or withholding had been required. Upon your request, I will promptly forward to you copies of official receipts or other evidence showing that the full amount of any such deduction or withholding has been paid over to the relevant taxing or other authority.

12.3 I agree and accept that you assume no responsibility for advising on or handling any tax issues, liabilities and/or obligations in connection with the WMC Scheme, nor will you provide any service or assistance in this regard. Prior to investing under the WMC Scheme, I agree and accept that I shall consult my own tax advisers and counsel with respect to the possible tax consequences to me of such investment since such tax consequences may differ in respect of different investors.

13. Indemnity

13.1 In addition and without prejudice to any of your rights under the Account Terms and these WMC Terms, I will indemnify and hold you (together with any other person appointed by you and their respective officers and employees) harmless against, and to reimburse each of you in respect of, any costs and expenses of reasonable amount and reasonably incurred, and any losses arising directly or indirectly from you providing the Services to me, including, without limitation, to (a) any taxes resulting from any investment under the WMC Scheme; or (b) any legal costs which you may incur in connection with any instruction given by me, in each case other than those claims, demands, actions, proceedings, damages, costs, expenses, losses and liabilities which are a direct result of your fraud, willful default or negligence.

14. Termination

14.1 In the context of the Southbound Scheme, if I indicate to you my intention to terminate the Hong Kong Investment Account, I shall complete all necessary requirements and steps as required by you including but not limited to investment redemption orders for the asset in the Hong Kong Investment Account and provide remittance

instruction to you for the remaining balance in the Hong Kong Investment Account to be remitted to the Mainland Remittance Account, and provided that no WMC Products nor funds remain in the Hong Kong Investment Account, before you carry out my instruction to terminate the Hong Kong Investment Account.

14.2 In the context of the Northbound Scheme, I may only terminate the Hong Kong Remittance Account if the Mainland Investment Account has been terminated and I have provided remittance instruction to you for the remaining balance in the Hong Kong Remittance Account to be transferred to an account in Hong Kong designated by me or any other account held with you and completed all other necessary requirements and steps as required by you, and provided that no products nor funds remain in the Mainland Investment Account, before you carry out my instructions to terminate the Hong Kong Remittance Account.

redemption of investments and remittance of funds and to the extent permitted under the Applicable Governing Requirements, you shall not be liable for any losses suffered by me pursuant to the termination.

15. Consent for use and disclosure of personal data

15.1 I acknowledge and agree that in providing the WMC Products to me, you may be required to provide the Governing Authorities and/or the WMC Mainland Partner Bank my personal and account information including my name, account numbers and balance and/or other information as the Governing Authorities and/or the WMC Mainland Partner Bank may request from time to time under the Applicable Governing Requirements. Without limitation to any notification I have given you or consent you have obtained from me in respect of processing my personal data in connection with my accounts and services with you, I acknowledge and agree that you or any person who has obtained such data from you or the relevant Citi Entity (as defined below) may collect, store, use, disclose and transfer personal data relating to me as required as part of the Services, including as follows:

- (a) to disclose and transfer my personal data to the WMC Mainland Partner Bank, its affiliates and personnel for the purpose of account opening, on-going reporting and monitoring of compliance with the Applicable Governing Requirements;
- (b) to allow you to disclose my personal data to the relevant Governing Authorities and law enforcement agencies so as to facilitate the performance of their statutory, surveillance and enforcement functions; and
- (c) to allow the WMC Mainland Partner Bank, its affiliates and personnel to disclose my personal data to the relevant Governing Authorities and law enforcement agencies having jurisdictions over it so as to facilitate the performance of their statutory, surveillance and enforcement functions.

15.2 By instructing you in respect of any transaction relating to the WMC Products, I acknowledge and agree that you, or any person who has obtained my personal data from you may use such data for the purposes of complying with the Applicable Governing Requirements in force from time to time in connection with the WMC Scheme. I also acknowledge that despite any subsequent purported withdrawal of consent by

me, my personal data collected prior to the withdrawal may continue to be stored, used, disclosed, transferred and otherwise processed for the above purposes, whether before or after such purported withdrawal of consent.

15.3 Failure to provide you with my personal data or consent as described above may mean that you will not or no longer be able to carry out my instructions or provide me with the WMC Products.

15.4 I acknowledge I have read and understand the contents of this Clause 15 and the Policy Statement relating to the Personal Data (Privacy) Ordinance of Citibank, N.A. Hong Kong Branch, Citibank (Hong Kong) Limited, Citicorp International Limited and Diners Club International (Hong Kong) Limited (each a "Citi Entity") or any person who has obtained such data from you or any Citi Entity as any of you or the relevant Citi Entity considers appropriate. In addition to this consent or other account opening documents which I have signed up and agreed to be bound by, by participating in and trading under the WMC Scheme, I shall be deemed to have given my consent for the relevant Citi Entity to use my personal data on the terms of and for the purposes set out in this Clause 15 and the Policy Statement relating to the Personal Data (Privacy) Ordinance. Further, if I am a foreign national/resident and where a data privacy circular applicable to my country of nationality/residency has been prepared by you (whether now or in the future) to address applicable data privacy requirements, I acknowledge that I agree to the terms of such data privacy circular as set out in "Privacy at Citi" section in Citibank Online which may be updated by you from time to time.

16. Risk disclosure

I agree and accept that this Clause 16 describes some of the key risk factors and other information concerning the WMC Scheme but does not disclose all the risks and other significant aspects of the WMC Scheme. The risk disclosures contained herein are not, and do not purport to be, exhaustive. I agree and accept the nature and risks of the WMC Scheme and I have considered carefully whether participating in the WMC Scheme is suitable for me in light of my circumstances. The decision to participate in the WMC Scheme is mine, and I have fully understood and am willing to assume the risks associated with the WMC Scheme and am able to comply with all relevant Applicable Governing Requirements. I acknowledge the risks and agree to the terms set out in this Clause 16.

16.1 Regulatory/policy risk

The WMC Scheme is a pilot scheme implemented by the Governing Authorities to facilitate cross-boundary investment by individual residents in areas including Hong Kong and Mainland China. Any transaction or services provided under the WMC Scheme will be subject to the Applicable Governing Requirements as well as the policy of the Governing Authorities as may be updated from time to time. Such changes or updates may in turn affect the products purchased under the WMC Scheme. I agree and accept that it is impossible to predict whether such an impact caused by any such change will be positive or negative for products purchased under the WMC Scheme. I agree and accept that in the worst-case scenario, I may lose a material part of or all my investments in products purchased under the WMC Scheme.

These WMC Terms highlight certain key features of WMC Scheme currently in force. These WMC Terms do not purport to cover all Applicable Governing Requirements. I agree and accept that I shall be fully responsible for understanding and complying with all Applicable Governing Requirements. You do not, and do not intend to, advise me on any Mainland Chinese or Hong Kong laws and regulations. For further information, I shall refer to the relevant information on the HKMA website and/or the SFC website relating to WMC Scheme as updated from time to time.

16.2 Legal or regulatory risks in relation to cross-border investment

The laws and rules of Hong Kong and Mainland China (as the case may be) shall apply to investors of WMC Scheme. The Mainland WMC Accounts are located in Mainland China and opened with the WMC Mainland Partner Bank in which case the Mainland Chinese securities and banking laws and regulations and other Mainland Chinese law apply to me. The Hong Kong WMC Accounts are located in the Hong Kong and opened with you, in which case Hong Kong securities and banking laws and regulations and other Hong Kong law apply to me.

I will be subject to both Mainland Chinese and Hong Kong laws and regulations, regardless of participating in the Southbound Scheme or Northbound Scheme. In any event, I agree and accept that if any such applicable laws and regulations are breached, the relevant Governing Authorities have the power to carry out investigations and/or impose any restriction and penalty.

16.3 Quota restrictions

For the Southbound Scheme, outward remittance from Mainland China to Hong Kong is subject to the Southbound Aggregate Quota and the Southbound Individual Investor Quota. As a result, if the usage of such quota reaches its upper limit, you may not accept outward remittance from Mainland China to Hong Kong and may have to put on hold my outward remittance instruction, refuse to accept such funds or return the funds in excess to the Mainland Remittance Account (as the case may be). Any instruction to buy WMC Products may be put on hold or limited to the funds available in the Hong Kong Investment Account if I cannot remit sufficient funds from Mainland China. Inward returning remittance from Hong Kong to Mainland China will not be affected.

For the Northbound Scheme, outward remittance from Hong Kong to Mainland China is subject to the Northbound Aggregate Quota and the Northbound Individual Investor Quota. As a result, if the usage of such quota reaches its upper limit, you may not accept outward remittance from Hong Kong to Mainland China and may have to put on hold my outward remittance instructions or not proceed with the outward remittance. Any instruction to buy products via the WMC Mainland Partner Bank may be put on hold or limited to the funds available in the Mainland Investment Account if I cannot remit sufficient funds from Hong Kong. Inward returning remittance from Mainland China to Hong Kong will not be affected.

16.4 Account information and transaction record

Information relating to me, transaction records of the Hong Kong WMC Accounts and information relating to any trading under the WMC Scheme, including the inflow and outflow of funds, trading of WMC Products and any interest or dividend income, will be submitted to the Governing Authorities and the WMC Mainland Partner Bank from time to time pursuant to the Applicable Governing Requirements. You will not notify me or, obtain prior consent from me, before submitting such records or information.

16.5 Regulatory actions

You are obliged to file a report with the HKMA if you become aware of a breach or non-compliance of the Applicable Governing Requirements by me, without prior notice to, or consent from, me. The Governing Authorities may require you and/or the WMC Mainland Partner Bank to take certain follow-up actions without prior notice to, or consent from, me, including (i) suspending or revoking my eligibility to engage in the WMC Scheme, (ii) disposing of the products under the WMC

Scheme held by me, (iii) terminating the Mainland Investment Accounts and/or the Hong Kong WMC Accounts and/or (iv) allowing me to hold the products until redemption at maturity but prohibiting investment in any new products.

16.6 Investor Compensation Fund

I agree and accept that, in investing under the WMC Scheme, I will not enjoy the protection afforded by the investor compensation fund established under the SFO.

16.7 Client error

I agree and accept that you will not be liable for any loss, damage or expense or consequential loss suffered by me as a result of any investment based on my instructions. You may not be able to (and are not in any case obliged to) unwind any trade, and I shall also take note of the arrangements in respect of investments under the WMC Scheme, including but not limited to quota restrictions which may affect my ability to mitigate the consequences of any error trades. You shall have absolute discretion to determine whether to rectify any error trade and shall have no obligation to do so. You shall have no liability for any losses which may result directly or indirectly from such error trades or any refusal to conduct a transfer to correct an error trade.

16.8 RMB risks and exchange risks

All remittances under the WMC Connect Scheme must be in RMB. I agree and accept that RMB is not yet freely convertible in Hong Kong, and is subject to foreign exchange controls and restrictions from time to time required by the relevant Governing Authority(ies). Particularly, conversion of RMB through banks in Hong Kong is subject to certain restrictions. It may be difficult for me to convert RMB into HKD or other currencies or vice versa at any specific time, and conversion will be subject to conversion costs and such costs and timings for conversion may not be of my preference. In addition, the value of RMB against HKD or other foreign currencies may be affected by a wide range of factors. There is no guarantee that RMB will not depreciate. A depreciation of RMB may result in a decrease in the market value of the RMB securities and the realization price of the RMB securities. For non-RMB based investors who are trading in RMB securities, they may also sustain loss in the event that they subsequently convert any RMB proceeds back to HKD or other base currencies. There are also significant restrictions on the remittance of RMB into and out of Mainland China. If the issuer of the RMB securities is not able to remit RMB to Hong Kong or make distributions in RMB due to exchange

controls or other restrictions, the issuer may make distributions (including dividends and other payments) in other currencies. I may therefore be exposed to additional foreign exchange risk and liquidity exposures.

Under the Southbound Scheme, if I measure my investment returns by reference to RMB, an investment in the non-RMB denominated WMC Products entails foreign exchange related risks, including possible significant changes in the value of that foreign currency relative to RMB by reference to which I measure my investment returns. In addition, there may be tax consequences for me as a result of any foreign currency gains resulting from any investment in non-RMB denominated WMC Products. Under the Northbound Scheme, if I measure my investment returns by reference to HKD or other foreign currencies, an investment in the RMB denominated products entails foreign exchange related risks, including possible significant changes in the value of HKD or that foreign currency by reference to which I measure my investment returns relative to RMB.

16.9 General risks related to the Mainland China

Mainland China is an emerging market that possesses one or more of the following characteristics: a certain degree of political instability, relatively unpredictable financial markets and economic growth patterns, a financial market that is still at the development stage or a weak economy. Emerging markets investments usually result in higher risks such as event risk, political risk, economic risk, credit risk, currency rate risk, market risk, liquidity/gapping risk, regulatory/legal risk, trade settlement, processing and clearing risks and bondholder/shareholder risk.

17. Miscellaneous

17.1 I will provide to you all information (including translations into Chinese, if required) which you request if such information is requested by the Governing Authorities. I acknowledge that my failure to comply with this Clause 17.1 may, among other things, result in the termination of the Services.

17.2 I will execute any further documents and provide any materials and/or information as you may request to enable you to perform your duties and obligations under these WMC Terms which may become necessary as and when the Applicable Governing Requirements are amended from time to time.

17.3 You may from time to time amend these WMC Terms by sending me a written notice detailing

the relevant amendments. Such amendments will become effective and binding on me on a date to be specified in the notice which shall not be less than any minimum period prescribed by any applicable legal or regulatory requirements. I acknowledge and agree that if I do not accept any amendments to these WMC Terms as notified by you from time to time, I will instruct you to terminate the Services and the Hong Kong WMC Account in accordance with these WMC Terms. My use or maintenance or continued use or maintenance of the Services or the Hong Kong WMC Account after the effective date specified in the notice shall constitute my acceptance of the amendments.

17.4 I confirm that I have read the English/Chinese version of these WMC Terms and that the contents thereof, which have been fully explained to me in a language which I understand and that I agree and accept these WMC Terms. The English version shall prevail in the event of any discrepancy between the English version and the Chinese version of these WMC Terms.

18. Governing Law and Jurisdiction

The governing law and jurisdiction clauses in the Account Terms shall also apply to these WMC Terms.
