Citibank Alerts Clients of Phishing SMS and Unauthorized Website

(Hong Kong) Citibank would like to alert its clients and the public of a case of phishing SMS with a link to an unauthorized Citibank website which requests client to provide their user ID and password to login. Below is the URL of the unauthorized website: <https://bit.ly/2JiUbvs> / www.ufkwebtek.com

Citibank would like to remind the public to be alert of any SMS or email that contains an embedded hyperlink or a request to enter personal information. Clients should under no circumstances disclose their personal data or bank account details to unsolicited senders.

If clients are concerned that they may have disclosed their information to this unauthorized SMS, please contact our CitiPhone Banking at 2860 0333.

For more information about email or information security, please visit Citibank homepage at www.citibank.com.hk.
