Remarks for Service Fees and Charges for China Connect- Shanghai / Shenzhen Securities Services:
(1) “CAW”: “Citi At Work”. (2) Exceptions will still be applicable via Dedicated Trading Hotline. (3) The charge is collected for the State Administration of Taxation (SAT) and is subject to change without prior notice. (4) The charge is collected for the China Securities Regulatory Commission (CSRC) and is subject to change without prior notice. (5) The charge is collected for the Shanghai Stock Exchange (SSE)/ Shenzhen Stock Exchange (SZSE) and is subject to change without prior notice. (6) 0.002% of the transaction amount is collected for the China Securities Depository and Clearing Corporation Limited, Shanghai Branch (ChinaClear Shanghai) or China Securities Depository and Clearing Corporation Limited, Shenzhen Branch (ChinaClear Shenzhen), and further 0.002% of the transaction amount is collected for the Hong Kong Securities Clearing Company Limited (HKSCC). The charges are subject to change without prior notice. (7) Clients will assume, and be solely responsible for, any and all taxes of any jurisdiction or government or regulatory body, including and without limitation to, any capital gain or other assessment or charges that may be applicable. Clients should seek independent tax advice. (8) Clients who do not conduct any securities transactions (including buy/sell, transfer-in of stocks and online IPO applications) and do not maintain any stock holding with us within a 6-month period (January to June and/or July to December every year) will be subject to the fee, which is applied semi-annually. The fee will be debited in July and/or January in the subsequent year respectively. The fee is NOT applicable to newly opened accounts during the accountable period. We will debit the fee from the clients’ Hong Kong Dollar settlement account. If only a USD or CNY settlement account is linked to the securities account, the fee will be debited from that account. USD13 or CNY84 will be used for calculation. (9) Also applicable to odd lots. (10) Applicable to the real-time snapshot quick quote enquiries performed via Trade Now, Stock Quote and Watchlist sections and the successfully triggered alerts (including Stock Price, 52-week High or Low, Technical Indicators, Stock Turnover) which are set under the “Citi Alerts Services” section. The number of free Real-time Quick Quotes for Shanghai Securities Services and Shenzhen Securities are separately recorded. (11) Alert SMS message will be received when (i) the order is fully executed or (ii) after the market is closed for the day (if the order is partially executed) or (iii) after the market is closed for the expiry date (if the order is unfilled). (12) Alert SMS message will be received for each trade execution (including partial order execution). Multiple Alert SMS messages may be received for an order with more than one trade executions. (13) Corporate actions include warrant conversions, rights, cash dividends, cash stock option, voluntary takeovers, tender offers, or open offers.

Note: (1) There are certain charges for specific services which are not included here. Details are available upon request. (2) The above charges are for reference only. Citibank (Hong Kong) Limited reserves the right to revise the service fee from time to time. (3) Except the above, clients may be required to pay other fees charged by third parties in relation to the use of securities services. (4) The currency of commission charge for corporate clients is CNH.

Major Risk Disclosure of China Connect (Shanghai-Hong Kong Stock Connect /Shenzhen-Hong Kong Stock Connect):
(a) Trading under China Connect is subject to a cross-boundary investment daily quota; (b) Any Northbound trading under China Connect will not be covered by Hong Kong’s Investor Compensation Fund; (c) China Connect will only operate on days when both markets are open for trading and when banks in both markets are open on the corresponding settlement days. You should take note of the days China Connect is available for trading and decide according to your own risk tolerance capability whether or not to take on the risk of price fluctuations in A-shares during the time when trading on China Connect is not available; (d) Trading under China Connect is subject to currency risks; and (e) You should familiarize yourself with and observe the eligibility restrictions in relation to China Connect and the applicable Mainland China laws and regulations concerning Northbound trading and, in particular, the shareholding restrictions imposed and your disclosure obligations thereunder. The above statements cannot disclose all the risks involved. You should read and understand the Terms and Conditions and the full risk disclosures.
