

APPLE PAY® TERMS AND CONDITIONS

These terms and conditions (“Terms and Conditions”) are an agreement between you and Citibank (Hong Kong) Limited (“we, or us”) that governs your access to and use of your eligible Citibank consumer credit card(s) (“Credit Card(s)”) linked to accounts domiciled in Hong Kong (“Card”, or “Cards”) through Apple Pay®. The term, “Apple Pay®”, shall include the Apple Pay® branded payment functionality, the Card provisioning functionality, and display of transaction history. We will determine, at our sole discretion, which Cards may be eligible for use through Apple Pay®. We reserve the right to decline any enrollment of a Card to Apple Pay® without the need to give you any reason. Please review these Terms and Conditions before you decide whether to accept them and continue with the enrollment of your Cards to Apple Pay®. By registering or using a Card through Apple Pay® you agree to use your Card through Apple Pay® in accordance with these Terms and Conditions. If you do not agree to these Terms and Conditions, then you must not register your Card to, or use your Card in connection with, Apple Pay®. Use of Apple Pay® is at your discretion. You are not obliged to use Apple Pay® in connection with any of your Cards.

Your use of Apple Pay® to purchase goods and services with your Card is governed by the applicable terms and conditions between you and us in connection with each account to which the Card is linked (“Account”). The applicable terms and conditions to your Card and/or Accounts with us, including the: (a) Terms and Conditions For Accounts and Services; (b) Citi Credit Card Agreement and/or Citi Octopus Credit Card Agreement and/or Citi HKTVmall Card Agreement and/or Citi The Club Credit Card Agreement (“Cardholder Agreement”); (c) Policy Statement relating to the Personal Data (Privacy) Ordinance (collectively, the “Relevant Terms”), are incorporated by reference as part of these Terms and Conditions. You also acknowledge that your use of Apple Pay® is subject to the terms and conditions set forth by Apple and/or its affiliates (“Apple”) with respect to the use of Apple Pay®, which will not change or override these Terms and Conditions.

ELIGIBILITY / ENROLLMENT

Apple Pay® is available to cardholders for the purposes of purchasing goods and services with a compatible Apple device (including phone, tablet, wearable device, MacBook or Mac) (“Eligible Device”) at (1) near field communication (“NFC”) enabled merchants; and (2) an online merchant (whether in-app or through website), who accept Apple Pay® as a form of payment. Apple Pay® allows you to use your Eligible Device to access and use your Cards to make such purchases in place of presenting or using your physical Card. To add your Card to Apple Pay®, you must register your Card through Apple Pay® either by scanning the Card or entering the card details manually (“Apple Pay® Card Registration”). You may be required to take additional steps to authenticate yourself before your Card is added to Apple Pay® (“Additional Authentication”). Your enrollment will be declined if the Card is not eligible for this service, you failed the authentication process, or if your Card or underlying Account is not in good standing or conducted in a proper or satisfactory manner as determined by us at our absolute discretion. Apple Pay® may limit the number of Cards that you may store in one Eligible Device from time to time which we cannot control. We may, however, limit the number of Eligible Devices in which the same Card can be stored from time to time and you should refer to our latest communications regarding such limit.

For a Credit Card which has supplementary cards, such supplementary cards shall be regarded as separate Credit Cards, and Apple Pay® Card Registration and Additional Authentication shall apply when supplementary cardholders wish to enroll their supplementary Credit Cards with Apple Pay®.

By adding your Card to Apple Pay®, a unique numerical identifier different from your Card number will be allocated for the purpose of making purchases and receiving refunds through Apple Pay®. Due to the manner in which Apple Pay® operates, you may need to present your Eligible Device at a merchant when you return an item purchased using Apple Pay® on such Eligible Device.

Renewal of your Citi Credit Card upon expiry or replacement of damaged Citi Credit Card will not affect your use of the same Credit Card enrolled for Apple Pay®, whether or not you have activated the renewed or replacement Credit Card.

YOUR USE OF CITI CARDS THROUGH APPLE PAY®

Purchases you make with Apple Pay® using your Credit Card are governed by the Relevant Terms. Please review the Relevant Terms for important information on your rights and responsibilities when making purchases. You must keep your Eligible Device safe (including ensuring that the device is not modified contrary to the software or hardware guidelines of the manufacturer) and ensure that where your passcode or personal identification number is required to allow you to use your Eligible Device to access and use your Cards to make purchases for Apple Pay®, your passcode or personal identification number is not disclosed to any one and you must take all steps and prevent any fraud, loss or theft in respect of the Eligible Device or any Card in connection with the use of Apple Pay®. If biometric details may be used to identify you or be used to grant access to the Eligible Device to access and use your Cards, you must not save a third party's biometrics such as fingerprint (biometric information) on the Eligible Device. In the event a third party's biometrics are saved on the Eligible Device, whether now or in the future, and such biometric details can be used to grant access to the Eligible Device to access and use your Cards, you understand, and acknowledge and agree that such person, using his or her biometrics, will be able to access and use your Cards and make purchases with Apple Pay® using your Cards, and the relevant transactions will be charged to your Cards for which you shall be responsible and held liable.

If you enroll for biometric verification such as fingerprint identity or face recognition, personal identification number or passcode (collectively "Device Passcode") on Apple Pay®, the collection, storage, enrollment and access to Apple Pay® using your biometric information, personal identification number or passcode will be made using the technology on your Eligible Device. Accordingly, when you log into Apple Pay® and choose to be verified using the technology on your Eligible Device, your fingerprint or any other biometric information, personal identification number or passcode will be matched and verified against your Eligible Device's technology. Accordingly, you acknowledge that we have no control over the technology on the Eligible Device, the availability, capability, verification method, security and integrity of the Eligible Device and cannot be held responsible for transactions effected using Apple Pay® and authorized using any biometric information or personal identification number or passcode. You should therefore assess if the Eligible Device's manner

of verification and risks associated with such use is acceptable to you.

Use of Apple Pay® is at your discretion. You are not obliged to use Apple Pay® in connection with any of your Cards. Accordingly, you agree that the access and use of your Cards on Apple Pay® will be considered as authorized by you and you shall be responsible and liable for the same. If your Eligible Device is lost or stolen, any biometric information or personal identification number or other passcode is compromised or used or Card has been used through Apple Pay® without your permission, you must notify us immediately and if we so require, furnish to us a statutory declaration in such form as we specify and/or a police report and/or any other information we may reasonably require. You are liable for all unauthorized use of your Card in connection with Apple Pay®. Notwithstanding the foregoing, your liability for all unauthorized transactions on your Card in connection with Apple Pay® which are effected prior to you notifying us shall be limited to HK\$500 provided (i) you have fully complied with these Terms and Conditions (including, but not limited to the safety precautions) and you notified us without delay, (ii) you assist in the investigations and recovery, and (iii) we are satisfied that such unauthorized transactions are not due to your willful misconduct and/or gross negligence and that you have not acted fraudulently.

If you fail to notify us immediately of any unauthorized transactions of your Card on Apple Pay®, you will be held liable for such transactions. The Relevant Terms have detailed your liability for losses.

You agree and acknowledge that the transaction history displayed in Apple Pay® in connection with use of your Card in Apple Pay® solely represents our authorization of your Apple Pay® transaction using that particular Eligible Device and does not reflect any post-authorization activity, including but not limited to clearing, settlement, foreign currency exchange, reversals, returns or chargebacks.

Accordingly, the purchase amount, currency, and other details for your Apple Pay® transaction history in connection with use of your Card in Apple Pay® may not match the transaction amount that is ultimately cleared, settled, and posted to your Card statement of account. If there is any inconsistency between your Card statement of account and transaction history displayed in Apple Pay®, your Card statement of account shall prevail, and you will remain liable to us for the amounts set out on your statements.

We currently do not impose a fee for using your Card through Apple Pay® but we reserve the right to impose a fee at our sole discretion in the future. All applicable interest, fees and charges that apply to your Credit Card pursuant to the relevant Citi Credit Card Agreement and/or Citi Octopus Credit Card Agreement will continue to apply after you have registered your Credit Card with Apple Pay®. Your telecommunications carrier or provider may impose web-enablement, data usage or text messaging fees or other charges for your use of Apple Pay® (“Charges”). You shall be solely responsible for such Charges.

As a condition of using your Card in connection with Apple Pay®, you acknowledge and consent to us sending notifications and automatically dialed calls or text messages to the Eligible Device which may or may not be the same device as your mobile phone number on record with us. If at any time you revoke this consent, we may suspend or cancel your ability to use your Card in connection with Apple Pay®.

Devices modified contrary to the software or hardware guidelines of a manufacturer, including by disabling hardware or software controls, (commonly referred to as “jail breaking”), are not Eligible Devices. You acknowledge and agree that the use of a modified device to use your Card in connection with Apple Pay® is expressly prohibited, constitutes a violation of these Terms and Conditions, and is grounds for us to deny your access to your Cards through Apple Pay®.

We have the right to suspend or cancel your ability to use your Card in connection with Apple Pay® at any time and need not give you any prior notice or reason for doing so.

We have the right to impose a limit on any daily and/or individual transaction amount(s) charged to your Card through Apple Pay®. The limit will be such amount(s) as determined by us and notified to you from time to time.

You acknowledge that (i) Apple, the provider of Apple Pay® technology that supports the Cards in Apple Pay®, as well as its sub-contractors, agents, and affiliates, and (ii) the applicable payment network branded on your Card (e.g., MasterCard International Incorporated and its affiliate Maestro, or Visa, U.S.A., Inc. and its affiliate Interlink) as well as sub-contractors, agents, and affiliates of such payment networks, will have access to certain details of your transactions made with merchants via use of your Cards through Apple Pay® in and/or for the purposes of (1) performing its obligations hereunder; (2) providing you with relevant transaction data; (3) detecting and addressing fraud; (4) complying with applicable laws and regulations; (5) responding to inquiries made pursuant to court orders or by regulators; (6) managing, making product enhancement to, and/or promoting the use of Apple Pay®; and (7) creating business and/or technical performance reporting. You acknowledge that the use, storage and disclosure of any personal information provided by you directly to Apple, the applicable payment network branded on your Card, or other third parties supporting Apple Pay®, will be governed by the privacy policy of such party.

Such Offers are subject to certain terms and conditions between you and the relevant merchant, and may be subject to change at any time without notice to you. We will not be liable for any loss or damage as a result of any interaction between you and a merchant with respect to such Offers. Subject to applicable law and the Relevant Terms, all matters, including delivery of goods and services, returns, and warranties, are solely between you and the applicable merchants. You acknowledge that we do not endorse or warrant the merchants that are accessible through Apple Pay® or the Offers that they provide.
