Citi Appoints Anita Li as Head of Corporate Banking for Hong Kong

Hong Kong – Citi today announced the appointment of Anita Li as Head of Corporate Banking for Hong Kong, effective July 2026.

Anita will lead Citi's corporate banking business in Hong Kong, covering local corporates, financial institutions, public sector organizations and multinational subsidiary companies. She will report to the Head of Corporate Banking for Japan, Asia North & Australia and Aveline San, Hong Kong CEO & Banking Head.

Anita has over 25 years of experience in banking. She joins Citi from Standard Chartered Hong Kong where she was most recently Head of Investors for Greater China & North Asia, and Head of Financial Institutions for Hong Kong, leading teams covering institutional investors and financial services clients across Greater China, Japan and Korea.

Citi's Hong Kong operations have continued to see strong business momentum, serving over 1,000 institutional clients in the market. The Hong Kong-China corridor stands out as a primary driver with client activity growing at a CAGR of nearly 15% over the last five years for Citi's Hong Kong franchise. Furthermore, the US-Hong Kong corridor maintains its strategic importance, with active support for foreign direct investment and trade between these markets. In addition, business activity by Hong Kong-based clients with ASEAN markets are experiencing substantial growth, constituting over half of Citi's total outbound client activity from Hong Kong.

Kaleem Rizvi, Co-Head of Corporate Banking, said, "Anita's regional experience and track record will be instrumental as we continue to grow our corporate banking franchise in Hong Kong, working closely with our Markets, Services and Wealth businesses in delivering the full firm to our clients."

Aveline San, Hong Kong CEO & Banking Head, said, "Hong Kong plays a pivotal dual role as a launchpad for Chinese companies going global and a strategic gateway for multinationals expanding into China and the region. The unique breadth and depth of our global network, combined with our comprehensive suite of products and solutions, make us the pre-eminent banking partner for institutional clients worldwide."
